

BROCKVILLE GENERAL HOSPITAL

Mission: To provide quality patient/client centered care in a supportive environment responsive to community needs.

General Surgery

The Department of Surgery at Brockville General Hospital is seeking a General Surgeon to work with 3 other surgeons to provide services for the Brockville General Hospital and surrounding communities. Well rounded skills in General Surgery procedures, as well as upper and lower endoscopy skills are required. Additional experience in head and neck procedures, Laparoscopic surgery and ERCP would be considered assets.

The Brockville General Hospital is a community hospital serving a regional population of approximately 96,000. We are a two site corporation with a combined total of 141 beds.

The Work

- **1 in 4 Call in a shared arrangement with cross coverage for other surgeons.**
- **1 day Open OR (General anaesthesia) and 1 day Endoscopy as base minimum.**
- Opportunity for hospital based office.
- Affiliated with Queens University with opportunity for academic appointment and participation in post graduate education programs.
- Access to Tertiary services in both Kingston (80km) and Ottawa (110 Km)

The Hospital:

- Excellent 24 hour Emergency and ICU with collegial working environment.
- Fully digital imaging system with CT, U/S, mammography.
- Progressive IT Department with electronic health records and remote access.
- Implementing CPOE (April 2008) with Quadramed CPR.
- 4,200 Acute care Hospital Admissions / year (2006)
- 1,264 inpatient surgical procedures / year (2006)
- 9,225 out patient / Day Surgery procedures / year (2006)
- 4 New OR's, 1 Endoscopy suite, day surgery and PACU (2003 – part of a \$32 Million dollar hospital expansion
-

Current Surgical staff:

- 2 FTE General Surgeons, 3.5 Obstetrician / Gynecologists, 2 Ophthalmologists, 3 Orthopedic Surgeons, 2 Urologists, 1 ENT, 6 Anesthetists
