

BROCKVILLE GENERAL HOSPITAL
Healthy People – Outstanding Care

Chief of Emergency Medicine

Brockville is a charming community ideally situated in the world famous 1000 islands. Kingston and Ottawa are within 45 minutes drive, 2 hours to Montreal and 2 ½ hours to Toronto.

The Brockville General is a progressive community Hospital with approximately 123 beds. There is very good specialty support with 6 modern OR suites and a 9 bed ICU/ CCU) with access to direct and rescue PCI for cardiac disease in Kingston. The ED sees approximately 25,000 visits per year with a stable group of full-time and part-time emergency physicians. There is a formal affiliation with Queens University with regular rotations for medical students and residents.

The Emergency department is funded according to an AFA and currently has 28 hours a day of clinical coverage.

There is competitive remuneration for administrative work and the current expectation is one full day per week.

Preference would be given to those with certification in Emergency Medicine (FRCPC or CCFP EM). Additional experience in an administrative role would also be desirable. Strong clinical leadership and a commitment to innovation are essential.

Applications should be submitted to :
